A message from Hannah...

THE WRENDALE EXPERIENCE

"Our experience of supplying wrendale has been very positive. The staff are always helpful and very efficient, we love the product and are proud to have it in our store."

- UK Stockist

It's hard to believe we're here at the start of another new year. As always, it brings with it a fresh set of challenges, but we are continuing to see demand from consumers for beautifully designed, high quality, sustainably sourced products and we are excited to introduce to you some new ranges that we hope your customers will love, all designed with this in mind.

Our new hand creams are delicately scented, with a nourishing formula. Available individually as a perfect till-point pick up or packaged in a beautiful pouch, we think they will go down a storm. Our new table linen collection is available in our best selling textile patterns and of course the new plush characters are sure to be welcome additions.

We hope that you enjoy discovering all of the new products we have been working hard to develop.

Happy browsing!

and the Wrendale Team
